About the organization

For nearly 50 years, Clackamas Community College (CCC) has been changing with the times and working to meet the needs of the community. CCC provides quality lower division collegiate classes, career technical training, basic skills education, and services for business, industry, and workforce. Recognized for its committed, supportive faculty and staff, CCC offers classes and services to a diverse student body at campuses in Oregon City, North Clackamas and Wilsonville. Extension sites are located in the towns of Canby and Molalla. To learn more, visit www.clackamas.edu.

Challenges

- Replace existing report writer due to inflexibility and support termination.
- Expand limited single-tree structure.
- Improve export capability from the accounting system.
- Extend access and visibility of data to viewers as required.

Benefits

- Provided management at all levels with access to more accurate and timely data.
- Increased reporting options with expanded drill-down capabilities.
- Linked general ledger to other relevant databases and sources to effectively eliminate the time/costs associated with the report consolidation process.
- Improved productivity with the ability to merge data from multiple sources and transform it into valuable information.
- Reduced IT maintenance when adding or deleting viewers.
- Enhanced the ability to filter and analyze data for better decision-making.
- Improved staff productivity for its entire range of users.

“With Infor F9, it is seamless to bring over the details of payroll, cash receipts, and invoices for our financial reporting. Our data is instantly accessible and available when we want to do an analysis.”
