About the company

Champion has grown from a small company selling gravel in 1909 to a multi-division company with annual revenue exceeding \$100 million. Its divisions include Champion Concrete, a nationwide, on-site, ready-mix Concrete producer; Champion Charter, which offers solutions to the mining, utility, industrial, and commercial industries; and Gundlach Champion—one of the oldest construction firms in the US—which provides a range of construction services in the Midwest. Challenges

- Eliminate manual data gathering and generation of monthly reports.
- Issue reports in a timelier manner.
- Eliminate potential data-entry errors.
- Dynamically access data directly from Infor® Distribution SX.e and other General Ledgers.
- Lower staff costs and improve the operational efficiency of the finance department.

Benefits

- Automated the creation and generation of monthly reports.
- Reduced report preparation time from 1 day down to 30 minutes.
- Eradicated potential errors by eliminating manual data entry.
- Gained the ability to automatically pull transactional data from Infor Distribution SX.e and other General Ledgers directly into reports.
- Reduced staff costs (including eliminating the need for overtime during year-end closing) and boosted operational efficiency of the finance department.

“With Infor F9, we’ve been able to eliminate manual data gathering and shorten our monthly closing process. Reports that would take as much as a full day to prepare are now completed in as little as 30 minutes.”
